Subject: Microsoft Settlement

I am an american citizen registered to vote in Texas.

I believe the only true resolution to microsoft's crimes is to split the company up. The current settlement will not stop microsoft, and will hurt me as a consumer.

marc

micro\$oft is the path to the Dark Side.
Windows leads to bluescreen.
Bluescreen leads to downtime.
Downtime leads to suffering.
I sense much micro\$ft in you.

- paraphrasing yoda
